

## Growing Together Learning

Each week we will send home 'Growing Together Learning' activities/challenges on Tapestry.

**As we grow and work together, please post a comment, photos or videos of your child working on this at home.**

We love to look at these and share these with the children, we look forward to hearing from you.

## Nursery Reading

Make reading a part of your child's daily routine

Not only is reading relaxing and a special time to share with your child, it also nurtures the imagination & helps with development. Reading stories instils important elements of communication in your child. We all communicate through written word, verbal methods, listening, and body language. Reading helps instil a higher sense of confidence in a child that is learning how to communicate effectively.

**Please read with your child each day & take time to post videos on Tapestry**

Does your child enjoy listening to the story? Can they join in with the story and repeat words or phrases? Can they talk about what is happening and answer questions?

Every day your child will take part in **E.R.I.C Time** (Every Child Reading In Class). We will be having fun sharing and reading books at 11.50pm & 3pm each day.

On a **Friday** your child can also bring in a favourite book from home to share with the class during E.R.I.C Time.

## Prayer Pebbles & Prayers

Please bring a 'prayer pebble' to school. Find a pebble and write a name on of the person that you would like us to pray for.

**It would be lovely, if your child could bring in a simple prayer.** They can make a prayer by drawing around their hand and then drawing a picture of who they would like to pray for to share with the class. Parents may write on the back of the prayer who the children would like us to pray for.

**We will pray for these people during our Collective Worship time.**

## Nursery Reminders

## Labelling Clothes

Please regularly re-label all clothes including coats, jumpers, hats & scarves.

**As some items of clothing, can become muddled, please can you check your child's clothes at home and send in any items that don't belong to you.**

## Book Bags

**Please bring your book bag to school every day and take any letters or pictures out of your child's book bag every night.**

## Outdoor Play

Children are encouraged to come to school prepared to play in each learning environment.

**As the weather is unpredictable, we ask that all children bring a coat to school every day.**

**This is so they can access the outdoor area, even when there are little showers.**

## P.E Pumps

**We ask that all children bring P.E pumps to Nursery.**

P.E pumps are to be sent in on your child's first day at Nursery. We will send them home when they no longer fit and your child needs new pumps.

As always, the children love to share their news each week, in class during News Time.

**You can upload photos or videos of your child's news onto Tapestry.**

Thank you in advance, for all of your wonderful news.
